Visitors see the spooky side of air and space at the Museum’s annual Halloween event! Children in costume enjoy safe indoor trick-or-treating, creepy crafts, spooky science experiments, and other Halloween-themed activities. The tiniest visitors check out the Tot Zone to play dress-up and hear a story. And kids of all ages pose for photos with their favorite Star Wars or Ghostbusters characters.

This event enjoys a solid reputation as the place in Northern Virginia to bring the kids for Halloween fun. This year, 23,000 people attended.

*Air & Scare was made possible by the generous support of Mars Chocolate North America, LLC.*
