## FAIRCHILD MODEL 24 DRAWINGS

NASM Archives Accession No. XXXX-0430

### HOW TO ORDER DRAWING LISTS

NASM's collection of Fairchild Model 24 drawings was donated to the Museum by the Fairchild Corp. and is available to restorers, researchers, model builders, and the general public. The collection consists of two types of material:

- 1) Copies of Fairchild's original **DRAWING LISTS** for the various models in the Fairchild Model 24 series listing drawing numbers and titles. **You may request copies of these lists using this form.**
- 2) Approximately 4,200 individual original engineering drawings for the Fairchild Model 24 series. These are primarily component drawing and include very few assembly drawings.

The collection **DOES NOT** include **ALL** the drawings for any one model in the Fairchild Model 24 series.

#### HOW TO ORDER DRAWING LISTS:

1. Complete the "Ordered By:" and "Ship To:" blocks.
2. This information sheet lists the available DRAWING LISTS for the various Fairchild 24 models. The form on the reverse is organized by model type and gives **MODEL** type, **DATE** of listing, number of **PAGES** and **COST** for each particular model list. **Please note that these drawing lists were created for the Civil Aeronautics Administration Type Certification process and may not include all drawings applicable to a given model.** Mark the number of copies you would like of each list in the first column (marked #).
3. Add up the total number of drawing lists ordered, and enter the total in the box marked **No. Ordered**. *Because of the large number of orders we receive and the limited number of staff available to fill these orders, you may request no more than 3 drawing lists per order and have only one order in process at a time.*
4. Add up the COSTS of the drawing lists ordered, and enter the total in the first box of the **Amount** column.
5. Refer to the NASM Archives Shipping Rates form and enter the appropriate amount in the **Shipping Amount** column.
6. Add up the prices shown in the **Amount** column and enter this total in the box marked **TOTAL**. This is the amount you owe for this order.
7. Complete the PAYMENT METHOD block below and send this packet and your payment to the address below. Please allow four to six weeks for your order to be filled.
