

National Air and Space Museum Teacher Innovator Institute

Administrator Sign-Off

School administrators should use this form to acknowledge the commitment of their staff and sign-off on their participation in TII. The 2025 cohort will be onsite in Washington, DC July 7-18, 2025 and July 13-24, 2026.

Expectations for Participating Teachers

- Commit the full two weeks each summer for summer 2025 and summer 2026
- Collaborate with other TII teachers during the summer and school year
- Propose goals for professional development via the PDP template and work during the summer to set actionable steps toward those goals
- Connect on a regular basis for ad hoc professional development sessions during the school year and keep PDP up to date
- Participate in evaluation of TII by providing feedback as needed
- Actively participate in sessions at summer workshops
