

# National Air and Space Museum Teacher Innovator Institute

## Teacher and Administrator Sign-Off

School administrators may use this form or they may choose to write a separate letter to acknowledge the commitment of their staff and sign-off on participation in TII.

## Expectations for Participation

- Commit two weeks per summer for two consecutive summers to participate in the TII program
- Propose professional development goals and plan to work toward those goals during the two school years following the summer institute
- Actively participate in sessions led by Smithsonian staff and guest speakers
- During the school years immediately following the summer sessions, connect at least twice via video conference with program staff and fellow TIIs.
- During the school years immediately following the summer sessions, present at least one professional development session per year for teachers in your school, district, or region.
- At the conclusion of the school year following the second summer session, reflect upon the goals set at the beginning of TII and connect with new TIIs about their goals
